Information Transmittal and Status Request

In checking private pair I noticed that the most recent document description shows an entry of 09/27/2004 titled "Mail returned to USPTO as undelivered." In opening the two page document I found that it included a PTO-90C transmittal cover sheet (page 1) and a Notice of Insufficient Filing Fees (undated) as page 2 of 2. The Notice of Insufficient Filing Fees includes a section titled "APPLICANT: PLEASE COMPLETE THIS PORTION AND RETURN THIS NOTICE WITH PAYMENT." That section was filled out and sent to the PTO on September 13, 2004 per a Certificate of Mailing showing that date. NOTE: THIS IS PAGE 2 OF THE DOCUMENT DESCRIPTION IDENTIFIED ABOVE. IT IS FILLED OUT AND SIGNED BY ME. IT STATES THAT THE NECESSARY FEE OF \$86.00 WAS SUBMITTED WITH THE RETURN OF THE FEE.

I have attached a copy of what was sent to the PTO on September 13, 2004. I have also attached a copy of my file copy of the PTO-90C transmittal with a photocopy of my check on the copy. Also enclosed are copies of the two page document shown in the private pair system. It is clear to me that there may be a mistake in stating that the document that I returned to the PTO was "Mail returned to PTO as undeliverable" as I received the Notice of Insufficient Filing Fees sometime before September 13, 2004, on which date I sent the Notice back to the PTO. There is

no "Date Mailed:" information on the Notice page, but it could be that it was mailed on September 7, 2004 as set forth on the PTO-90C cover page. It may be that the originals of the notices from the PTO were actually returned to the PTO as I don't have originals in my file. I only have photocopies. Also, I don't have a copy of Form PTO -875, said to be attached to the Notice, but this does not appear in my file.

I believe this application is in condition for allowance and would appreciate it if the application were sent to issue. Also, it seems that the issuance of the application has been held up by the PTO thus an extension of the term or duration of the patent is requested.

If there is any other information that may help you along on this matter please contact me at 602-741-8963.

Respectfully submitted,

JEROME H. LEMELSON
